Seamless Digital Integration for Mission-Critical Power Systems!

POWERBOX PDI Series

CAN and I²C communication interface for POWERBOX power supplies

CAN + I²C Communication Interface

Key Features

→ CAN or I²C communication
→ Remote monitoring & control
→ Output voltage / current monitoring
→ Dynamic current control
→ Remote ON/Off
→ 10- 80VDC input

Compatible POWERBOX Series

→ OFI700A & OFI1200A
→ OFD1200A
→ PCA Series
→ HCA Series
→ HFA Series
→ GHA Series
→ DCS Series
→ TUNS1200 Serie
